Happy 2020! Hope everyone had an exciting and memorable holiday! I still can't believe we are half way through the school year!?

Beth and I would like to thank you for your thoughtful and generous Christmas Gifts. We feel so loved!

We will be settling back into our daily schedule and routines this week now that the holidays are over. The second semester we will continue with our letters and math activities as we concentrate on behaviors and what

is expected in kindergarten. Of course we will continue to have lots of fun!

The second VPK assessment will be administered the next few weeks and results will be sent home at a later date. I will also be scheduling conferences the first week of February, so be thinking of a time that will work best for you.

The Pre-K teachers and staff are planning an exciting "Snow" Day filled with *Cool* activities and fun in the *Snow*! It is

tentatively scheduled for Friday, January 31st, please look for more information in folders!
