We made it through January! Our forecast for snow didn't quite happen but we sure enjoyed the snow activities all the teachers had prepared for us! And now we are almost at our 101st day of school, can you believe it? Don't forget to dress in black and white on February 6th for a Dalmatian Celebration!

This month our theme is Kindness, Friendship and Manners. Along with the letters V, L, W, our Valentine Party and lots of counting, the short month of February is going to fly by!

Speaking of Valentine Party, we will be exchanging Valentines and

Good Things

Take a few minutes to read these and think about them without going on to the next one. It DOES make you feel good!

having a special snack on February 13th. Please have your child bring in Valentine cards to deliver to classmates (a class list will be sent home). Our Room Mom Brandy will be sending out a Sign-Up Genius for special snacks that day.

During the week of February 10th, Bay School will be collecting change for Children in Crisis, a local non-profit charity which helps feed, clothe and care for the children in need. Please send in change with your child to help this worthy cause as we discuss how a little kindness goes a long way!

We are working hard on "Kindergarten" skills, such as following directions, hand raising, completing work neatly and

taking their time, and remembering that there are times when there is no talking. Please be sure to talk with your child about these behaviors and how important they are for success in school.
