Important Reminders

- * Have your child wear tennis or closed toe shoes
- * Please sign up for class announcements on Remind 101: <http://remind.com/join/amysp>
- * Please sign and return FISH folders daily
- * Check the snack schedule for your snack days.

Well, we have almost made it to Spring Break! These little guppies have been working hard with letters, numbers, pre-reading skills and so much more I'm sure they will enjoy a little time off (I know Beth and I sure will)!

The month of March makes for some fun science activities and exciting lessons. We will focus on the wonderful things that happen in Spring, the letters B & Y and subitizing (knowing "how many" without counting).

After break we will begin studying famous artists as we get ready for our class Art Show! It is tentatively scheduled for Tuesday, May 12th. This is an annual show that I enjoy putting on for

We don't stop playing because we grow old. We grow old because we stop playing.

IT IS A HAPPY TALENT TO KNOW HOW TO PLAY

DON'T STOP UNTIL YOU ARE PROUD!

our class, and has become quite the event. Please mark your calendars

and be prepared for some amazing artwork. I hope to have food and drinks for the event and would love some help in securing donations from local eateries. If you would like to help with this, please let me know.

Our Spring Book Fair will begin on March 30, so be looking for information after break. Thanks to all who purchased/sold our Fund-Rays coupon books. I saw many books being delivered to classrooms.

We will have an Egg Hunt on April 8th, with a

rain date of April 9th. We will be asking for each student to send in filled plastic eggs. Information will come closer to the event.

In place of a spring field trip, we have some exciting visitors coming on May 11th for an informative show to help with our study

of dinosaurs. More information will follow.

FISH WISHES

**Different Size Paper
Cups**

Napkins

**Large Painters
Dropcloth (clean)**
