Important Reminders

- * Have your child wear tennis or closed toe shoes
- * Please sign up for class announcements on Remind 101: <http://remind.com/join/amysp>
- * Please sign and return FISH folders daily
- * Check the snack schedule for your snack days.

Our little Guppies have settled in and are swimming around the aquarium with ease! They know the routine of the classroom and there is a lot of learning going on with this "school" of fish! Hopefully they are coming home, excited to tell you about their day! But just in case they don't, here is a little information about what we have been learning the past 2 weeks:

The letter M can be Messy and the letter F can be Fun! We are all different but bring so much to our little fishbowl, our families are made up of some special people that we love and we are all Friends

here at Bay School! We also learned how to make groups and sort, given different types of attributes.

The next 2 weeks our theme will be Transportation and the letters will be T and S. We will be having a special day each Friday to celebrate our letter, so be sure to read our daily sheets and Remind messages.

We are excited to have Dad's come in for some fun on Wednesday September 25th so be sure to look for an invitation later this week!

Letters All Around

You can help your child begin to learn the letter names, recognize their shapes and link the letters with the sounds of the spoken language by sharing the alphabet with them.

Their name is a great place to start. Help your child make a name sign for his/her room or other special place. Be sure to point to and name each letter.

Most weeks we will be focusing on one specific letter and there are many ac-

tivities you can do at home to help reinforce what we do at school.

You don't need many supplies and activities can be done while reading together, grocery shopping or even preparing meals.

While reading:

*Point to both upper and lowercase letters and make their sound.

*Find/discuss pictures that may begin with the letter.

Thanks to all who send in our wish list supplies:) We are blessed to have you!

We will be having our annual Fall Festival and Trunk or Treat on Thursday, October 24th from 5-7 so make plans now! We will be looking for prizes and goodies if you would like to donate or know of business that could help out.

Please be sure to only send in water in water bottles. We have the tendency to get ants from the drips of sugary drinks. Sending in juice pouches in lunchboxes will be fine.

Beth and I have been enjoying getting to know these guppies and are so excited to watch them grow!

At the grocery store:

*Go on a letter hunt for items that begin with the letter of the week.

*Read labels and look for the letter of the week.

While cooking:

*Include your child in finding ingredients/items and listen for beginning sounds.

*Have magnetic letters on the refrigerator that he/she can play with.
