Important Reminders

- * Have your child wear tennis or closed toe shoes
- * Please sign up for class announcements on Remind 101: <http://remind.com/join/amysp>
- * Please sign and return FISH folders daily
- * Check the snack schedule for your snack days.

Can you believe that we have already finished two weeks of school? We have jumped into the fish bowl and started swimming! The next two weeks our theme will be "All About Me"! This week we will work with the letter Mm, matching objects, counting to tell how many, and learning how to get along in centers. Next week will be the letter Ff, sorting with given attributes and exploring centers. There will be books, games and activities incorporating our letters of the week and our theme. We continue to improve writing our name, being sure to

only use an uppercase for the first letter.

We have finally adjusted our schedule now that we have settled into the school year. It is working well and we are getting so much learning in every day! But there are always those days that we just throw the schedule out the window and get in some teachable moments! A copy was sent home in the FISH Folders last week.

Thanks for getting the decorated fish back for our bulletin board, it looks great!

Thank you to our

first group of snack suppliers! If you would like to get creative and send something for our letter of the week, that would be fun! I will be sure and include our letter of the week on the next snack calendar!

The first VPK assessment will be administered in the next few weeks and the results will help us plan our future lessons. You will receive the results at a later date.

Where the Children Grow

Christy R. Dawson

When you see a smiling face
Their happiness all over the place
Singing, laughing, cries of glee,
Come they say, Play with me!
The slide, the swing, the monkey bars.
Look at them close to see who they are.
Lots of races, Ready, Set, Go.
This is how the children grow.
If you watch them everyday

You'll see they learn as they play.
They'll do what they see, and say what they hear.
You're their teacher throughout the years.
Their ideas and thoughts in their eyes shine.
Imagination is a glimpse of their mind.
When you're not looking, don't you know
This is when the children grow.

Watch them as they learn to walk
Listen to them when they talk
Keep them safe, away from harm
Wrap them gently within your arms.
Teach them to share and how to take turns.
Set good examples from which they will learn.
At home, at school, wherever they go
This is where the children grow.
